

THE EAGLE '60

L5c

Kay,

I certainly has been wonderful knowing you these past years. I think we had some good times together.

I don't forget our daily trip to Butlin's Shop & Shop and those greasy hamburgers. It looks like I'm going to have to start eating up there again before I get down to 88 pounds.

We had some good times together going skating with each other and lean too. Remember the night I was bought some Stanley products from you. I don't remember exactly what it was but we laughed like crazy when he did it. Remember how Wayne used to follow you around. I believe he was a

No. 1 seal.

Kay let's not forget the day we went to get your driver's license. I think it was about the third or fourth time you went after them. Now that I don't say you can't drive but he just didn't have time to give you out.

Remember all the ball games and the night we were when Jimmy took us all up to Brady - Brady. Remember the Candy we

took to give to Carolyn G. & Jimmy H. I certainly love the serious business of it all. I certainly have enjoyed having you for a friend and classmate. I don't think that any one person could be more deserving than you. Stay the same sweet person you are and I'm sure everything you attempt to do will be a success. Best of luck always and I'd bless you.

a friend always,

W. Selene

SCHOOL SONG

Oh, to you, our Alma Mater,
How may we like those of old
Stand and raise our voices proudly
in your praise.
May We strive and work together;
May the things we try to do
Bring more honor to the purple and the gold.
Oh, then, let us sing--let us praise her name--
CRAMERTON
Oh, then, let us strive--let us add to her fame--
CRAMERTON
Friends we've known who have proved so true,
The Alma Mater which we knew,
We will always remember you--CRAMERTON

CHORUS:

O, Cramerton, we will down them,
Down them everyone.
O, Cramerton, we will conquer
E're this day is done!
Rah! Rah! Rah!
Fight for the victory,
Let's get them on the run
All for the honor of old CRAMERTON!

 I hope that
 we will have fun
 this Junior-Senior.
 I don't know why you
 picked me, but I am glad.
 I am sure that we will have
 fun if Tom + Rita doesn't have
 a fight. I think it is funny the way
 they carry on with each other.
 I don't know much more to write
 except to say that I hope you will work
 hard in life. Best of luck to a swell girl.

Best of luck always to a
sweet girl. We sure have
had fun together this
year. Skating and all that
jazz (as Max Rabb always
says). Hope you always
have the best things in
life. Always stay as
sweet as you are.

If you would quite eating and
cheating in Studying Hall you might
not get D's on your report card. Kay
I have had lots of fun in Study Hall
a lot because of you and Rita, just
one more thing before I quite writing
" If in heaven we don't meet here is
hoping you can stand the heat!"

Now I look back on that year and
just about every time and and we
had some wonderful times. I
don't think we really got to know each other
until that year in English. Weren't we
in a room together? Coming back to this
year we have had some good and bad times.

Do you remember all the times your
family and you were the one and we went
fishing? We had some great times going
to all of the ball games and then going
to get something to eat and fussing
with our brides. I never will forget
the night we were going to be
friendly to our best friends (C.G. & H.)
and take them to get something
to eat and they told us they had to do
some work. I don't guess they thought
we were going to go to the same place
they did. Well we had a better time
than they did.

Do you remember the day we went
to the lake with your cousins.
Didn't we have fun? Oh yes!

Love & hugs

Becky

Dear Kay,

We really have had some good times together. Just think we only have one more year together in school - We're going to have to make the most of it and really have a ball.

Next year we'll make a deal and not take any other subject under Bridges. But we have fun in there sometimes when those silly boys cut up. Remember the day Alfred fell over backwards in his chair. Everybody laughed except BOCE. You might know he wouldn't.

Remember the time we went ice skating. It was really fun but I nearly killed myself. Next time we'll have to go roller skating - More fun and you don't have to stand up on a razor blade either. All those Sunday afternoon jaunts were fun too. Especially when we drove Tom's car. We'll have to try that again sometime.

Seriously Kay, I think you are one of the cutest and sweetest girls I know. You're going to have to keep up the silliness so we can have fun! Cause you know I'll never change - I hope you get everything out of life you deserve. May God Bless You.

Your good friend -
Love Ya
Becky

Dear ,
I can't begin to start telling
you how much fun and good times
we have had together. Our school
days are getting shorter and shorter.
We can't even forget those days
when it snowed, the day we decorated,
and the Sunday you saw me and I
made a B-line for my dad. Remember
the day we went to Gastonia and I
boasted all the way about —. I
really did ^(want) think a lot of him & I
believe he would have straightened out
later on. At least his breaking Ronnie
& me up got — & I together. He is
a lot different to me from what B.W.
said about him. We got along fine to-
gether. Don't forget creaming the
crisco in h.c. and our great grand. Oyes,
we can't forget those nights we stayed
together & "I educated you" and we had a
ball talking about a little bit of
everything. Well, we have had our good and
our bad days, but everything seems to be going
fine now. I hope you succeed at everything
you attempt. May God bless you.
Love,
Betty

Kay.

I have very much enjoyed going to school with you these past few years.

I sincerely wish you the best of every thing that life has to offer you.

Remember, when you read this, me and the grand times when we would slip around to do something. Don't ever forget our "sit-down" strike in Home Ec. Never again shall I work that hard for nothing.

Well, Kay, I have really enjoyed knowing you and going to school with you.

You are a very sweet girl and I wish you success in your Sr. year at C.H.S. Then in your life there afterwards.

Hope to see you next year, that is if Bill & I don't tie the knot (get hitched) this summer.

Love
Jenny.

Kay,

This year has been the year that will
always stand out in my life. I have got
to know you better this year. I have
enjoyed every minute of 4th. period -
Remember when we got in a fight and
you snatched me. Well fr. sen. is tomorrow
night and I am looking forward to it
now that I am not going with that
girl. I am very sorry about the way
I talk to you about Dave. I know
I hurt your feelings and I am truly
sorry. I hope that you enjoy fr. sen. We
have only one more year to go and I
hope we both make it in one more
year. I think that you are one of
the sweetest girls that I have ever
known. I hope that you stay as nice
& sweet as you are now. Next year
I hope we have as much fun as we
did this year. I will miss 4th period
and our before meal snacks. Good
luck in everything you try to do.

That night was even more fun wasn't it? I didn't think we would ever get home did you. Then stupid us we didn't have sense ^{enough} to come home that night or Sunday morning. But I wish I had Sunday afternoon don't you. Well we made it home and I think we learned our lesson.

We have really had some wonderful times ~~4th~~ period working on the Jr. Senior. I was looking forward for the day to come and I know you were to. Well it is all over with now and we had a good time even if we did lose a little sleep. Well this is about all the lies I can make up so I will try to get serious.

Okay we have had our fun and we still have on more year together. I want to wish you the best of luck in everything you undertake to do. God Bless You

Love Ya,
Rita
